“Hugs Box” Craft for Father's Day

Materials: Tissue paper, small box, glue, paper, scissors

Instructions: Cut many approximately 2-inch x 2-inch squares from the tissue paper. Cut out plenty because you will be covering the whole box. Water down the glue - 2 parts glue to 1 part water. Lightly brush some glue on the box and stick on the tissue paper squares you cut out. You want them to overlap so you do not see the box. Work in small sections until the entire box is covered. Set aside to dry. Once it is dry, you can lightly brush over your box with the glue and water mixture to make it more durable and shiny; however this is optional. Once dry, tie with curly ribbon as you would a wrapped present and attached a gift tag which reads...

This is a very special gift
That you can never see
The reason it's so special is
It's just for you from me.

Whenever you are lonely
Or are ever feeling blue
You only have to hold this gift
And know I'm hugging you.

You never can unwrap it
Please leave the ribbon tied
Just hold the box close to your heart
It's filled with hugs inside.

Lemon Prints

Cut a quantity of lemons in half lengthwise. Set several aside to dry slightly. Store the remaining in the refrigerator. Then gather: drying lemon halves, white construction paper, newspaper, and yellow paint. Pour the yellow paint into a pan, and have the child dip the lemon into it. Dab onto newspaper, and then have them make a print on the construction paper. After you finish the prints, make lemonade with the remaining lemons!

Memory Verse:
