

# Miracles of Jesus

## Take-Home Sheet for Parents

### What Your Child Learned this Week:

Jesus performed many miracles when he was living on earth. Your child learned about Jesus calming the storm, and healing people in need. Jesus could do amazing things because He was God's son.

### What I Can Do at Home With my Child:

Practice this memory verse with your child:

**“Even the wind and waves obey Him.”~  
Matthew 8:27**

Talk about these ideas with your child:

What do you think the blind man thought when he could see again?

Who do you think he wanted to see first?

What do you suppose the lame man wanted to do the most after he could walk again?

Do you think he ran, danced, did some work, or took a hike?

### Family Fun:

Go to the library or search online to learn about weather. Look at some pictures of what violent wind can do. Then, remind your child that Jesus is more powerful than any storm. He only had to speak, and the wind stopped. Isn't that awesome?
